We, the undersigned, **do not** support the South Shawdee Rezoning Request #1416 as structured. We **agree** with the Green Mountain Civic League and the Preserve at Clayton Pond Homeowners Association Resolution to **rezone the current R2A and C1A zoning to R1**. We **do not** support rezoning any other property to C1A.

Commercial development of any form on Green Mountain is wrong and we are adamantly opposed!
